Purpose

This form is required for new swimming pool permits and for renewal of permits. You should complete a separate form for each swimming pool, wading, pool or spa you own or operated.

Instructions

- **Section A:** Enter the name of the facility; the physical and mailing address, city, zip code and construction date.
- **Section B:** Enter the name of the pool owner (individual, partnership, corporation, etc.); the mailing address of the owner with the city, state and zip code; the contact person for the owner; and the telephone number for the contact person.
- **Section C:** The rules require the owner of the each pool, wading pool or spa to provide for operation of the pool by a person who is responsible for pool operation, maintenance, safety and record keeping. The owner is responsible for maintaining documentation showing the operator has been trained on pool equipment operation, disease and injury prevention, pool water chemistry and regulatory requirements for public pools. Enter the name, company (if applicable) and contact information for the pool operator or CPO. (The operator is the person who will be responsible for daily readings of pool water chemistry, chemical additions, pool operating conditions, filing injury reports, etc., required by state law).
- **Section D:** For the pool operator listed in section C, attach a copy of their pool operator training certificate or fill in their CPO number. **If you are a new CPO, you must include a copy of the pool operator training certificate.** Provide the information required for questions # 1 through 5. Applications received without this information are considered incomplete.
- **Section E:** Renewals: Attach the applicable fee as shown on the front. The seasonal permit allows a pool to be operated until October 31 of the calendar year it is issued. Annual Permits are only valid for one (1) year from the date of issuance.
- **Section F:** Read the certification statement. The application must be signed by an authorized individual, dated and contain the printed name of the signing individual. Return the completed application along with the appropriate fee to the address below:

A public swimming pool, wading pool or spa cannot be operated until the owner/operator is in possession of a valid operating permit. For this reason, staff of the Lee County Health Department will not give verbal permission allowing operation of a facility that does not have a valid permit posted on the premises. The Department will take appropriate reinforcement action to ensure protection of public health in the case of facilities being operated without appropriate permits.
